Through

Sir, The President, District Board, South Kanara.

Sir,

At the recommendation of the Deputy Inspector of schools, Udipi Range, the Taluk Board was subscribing from 1924 till the end of 1929 for 3 copies of Jayakarnataka, a Kanarese Magazine, for the use of Elementary schools under this Board, meeting the charges thereof from the Elementary Education Funds. This magazine is similar to that of "Makkalapusthaka" objected to in the Annual Audit report for 1928-29, but the

objection was recorded by Government in their order No. R. 186 L.E., dated 15- 4- 1930 My Taluk Board thought it fit to take the advice of the ~~Deputy~~ District Inspector of L.F.Accounts, S.Kanara, before continuing to subscribe for the magazine for the current year. The District Inspector was accordingly addressed. In reply he requests me to refer the matter for the orders of Government -vide his letter No.L.F.1000 15-10- 1930 (copy) enclosed. I have therefore the honour to solicit the instructions of Government as to whether the magazine may be continued to be subscribed for.

I have the honour to be,

Sir,

Your most obedient servant,

President

Note

The President Taluk Board himself is competent to sanction the expenditure on the purchase of the

journal under Executive Instruction
309 of the Local Boards [illegible]
We will have to consult the D.E.O
in regard to the suitability for
Educational purposes and as to
whether there are not other more
important Educational objects
on which the money might be
better spent Please see RECD 30
D.P.I's letter No. 2339 B/29 Dt 27.1.30
on pp. 6+7 of G.O No 353 Edn Dt

28.11.30 the Examiner of L.J. Books
has informed that expenditure
incurred on the publication of
Journals approved by the Dt. Educational
Officer may be charged to the D.E. Fund.
I find that the Examiner of L.J. Books
has also informed the Director of P.I.

Sir There are different rules
regarding the permission to
be obtained for using a book as
a library book & as a text book or
periodical
Only 3 Copies of this book are be
purchased, so presumably it
be used as a library book. Th
is a definite rule on the subje
or not? AS 13.12

Section 41 (2) of the Elementary Education Act on the subject of library books runs as follows "No library books shall be purchased for the School unless they have been approved by the D.E.O or the Inspectress of Girls Schools Concerned. Vide G.O No 1440 Edn. Dt. 24.1.29.

The three Copies of the journal are probably intended for circulation among the teachers learning in Schools under the Salem Board and not for use in libraries. It may be noted in this Connection that similar sanction was accorded to the purchase of the Journal Health for use at meetings of teachers association under the Puthur Salem Board. Vide G.O No 1553 Edn. Dt. 6.8.30.
